DELIVERABLES AND COMMITMENTS

PERFORMANCE MANAGEMENT PLATFORM & FRAMEWORK

CheckMax is powered by our game-changing platform, IN-Gauge™, where real-time metrics and opportunities for revenue optimization meet motivational tools and training. With our proven Framework, both corporate and outlet leaders also receive simple, actionable guidance to drive sustainable results consistently.

- ✓ Goal setting, incentive plan, and tracking modules assigned to licensed users
- ✓ Front of House and Management interaction through social channels and messaging assigned to licensed users
- ✓ Dashboards and analytics updated daily
- ✓ Unlimited user licenses with individual and leadership dashboards

DATA-DRIVEN DIGITAL LEARNING

Automated training and coaching tools guide servers on how to improve sales efficiency and managers on how to identify areas for targeted improvement.

- ✓ Comprehensive Learning Paths
- ✓ Video library with self-paced learning

AI-POWERED PERFORMANCE INSIGHTS

CheckMax delivers actionable insights and context-rich recommendations through every transaction process.

- ✓ Ticket based IN-Gauge technical support
- ✓ Self help resources and guides
- ✓ 1:1 Customer Success consultation available by appointment
